I am aware that boats (current and future) utilising the harbour are limited to measurements set out in the Club's Bye-Laws which are available to view in the club house. If ever in breach of this limitation, the Committee is authorized to remove my boat from the harbour without reference to myself. I acknowledge that this rule will be strictly applied. All boats must be measured by the Harbour Manager to ensure compliance with maximum size regulations before receiving permission to enter berth area of harbour. I also confirm that I have read the NOTE at the bottom of this page and that I understand it.
